EMERGENCY DEMO
Council Housing **not** **Social Cleansing**

March for the Vote against the HDV
(the 'Haringey Demolition Vehicle') at Haringey Civic.

- Northumberland Park, Broadwater Farm, Sky City, Page High, and 10 more estates are at risk of demolition. Local people would be priced out. Part of a pattern... Wood Green, Wards Corner, same story.
- There's a huge revolt against the sell-off and demolition plans. Almost all candidates for the borough elections in May **OPPOSE** the HDV, Jeremy Corbyn and the Labour Party nationally have called for a halt, and both local MPs have called for a halt.
- Council Leader Claire Kober says she still plans to sign the largest sell off of council housing and land in the UK. But we can stop this now.

Make some noise against the HDV.
Bring Pots, Pans, Instruments, Banners,
neighbours and friends.
