

## **Pamphlets motion (Adam DC)**

### **Motion:**

rs21 should commission a series of pamphlets for publication on a range of subjects.

Categories to consider could be:

- Who are the fascists?
- Whose speech is free?
- The nature of labour (Immigration/migrant labour)
- State the solution: Israel, Palestine
- Why oppression?
- Economics, Austerity and Capitalism
- Class struggle
- Environment & climate change
- Imperialism & war
- Marx, Dialectics and Socialism

This Meeting tasks rs21 members to enter discussion on this topic and choose 6 pamphlets which we think will be of most use to our interventions.

Editorial group to discuss implementation.
